About Wåhlin Advokater

WÅHLIN ADVOKATER is a leading Swedish business law firm founded in Gothenburg in 1964. Today, we operate from offices in Stockholm, Gothenburg and Malmö. As our client, you can always rest assured that we are working to assist you in finding quick and effective solutions. We guide you through the entire process – from the initial negotiation until the final agreement is signed. Sometimes the solution is standardised, sometimes tailored. We aim to achieve the best and most cost-effective solution specifically for you and your business needs.

Our teams may vary from case to case to make sure that we provide the right value and expertise to our clients. Together, we find solutions for your business – always with significant dedication, business focus and an understanding of the challenges that come with the business environment.

Wåhlin + Di Gasell

WÅHLIN ADVOKATER are committed to supporting growth and innovation by providing the legal certainty businesses need to succeed.

Building a successful company requires more than a strong business idea and entrepreneurial ambition — it also requires trusted legal advisers. We work closely with entrepreneurs and growth companies throughout every stage of their journey, providing practical, commercially focused legal advice backed by extensive experience.

As the principal legal partner of Sweden's leading Di Gasell growth awards, we are proud to support entrepreneurs and high-growth businesses in achieving their ambitions. Our vision is to help entrepreneurs build sustainable, successful businesses — beyond business law. We combine legal expertise, commercial insight and genuine commitment to deliver practical, cost-effective solutions that help our clients navigate the challenges of modern business.
